

Sage SalesLogix Reinstatement Program

No longer have an active Sage SalesLogix Maintenance plan? Here's an easy and cost-effective option for getting you back on the latest version of Sage SalesLogix!

Through the reinstatement program:

- Take advantage of a reduced rate for Sage SalesLogix, reserved for loyal customers like yourself.
- Upgrade to the current version of Sage SalesLogix and enjoy the latest features and enhancements.
- Receive Technical Support for your Sage SalesLogix solution from our trained support staff.

Maintenance and Support Plan Options

ClassicCare Maintenance

A reliable maintenance plan for businesses that want to keep their systems running on the latest software. The ClassicCare Maintenance plan is less expensive than purchasing version upgrades separately—a great low-cost alternative to meet your business needs.

ClassicCare Support

Resolve your toughest technical software cases! Whether you require frequent support or occasional assistance, Customer Support is here to meet your needs and promptly solve your software problems.

Program Details

Receive a discount on Maintenance and Support for the first year of your reinstatement.

Sage will apply 10% of the reinstatement fee and your first year of reinstated maintenance and support to be used towards professional services provided your Sage SalesLogix Business Partner of record.*
